

## **Drug-Free Workplace Policy for E3 Worldwide Transportation LLC**

**E3 Worldwide Transportation LLC is a drug-free workplace. Company has zero-tolerance policy for intoxicating substances.** The purpose of this policy is to ensure the safety of all employees, clients and to promote productivity. This policy applies to all employees, contractors, or temporary workers. Substances covered under this policy include: alcohol, illegal drugs, inhalants, prescription drugs, synthetic drugs and over-the-counter drugs. We reserve the right to inspect company premises, including company vehicles, desks, lockers, storage areas, work areas, offices and other property supplied by the company. All such property is company property. Employees may not install private locks on any property supplied by the company. *We reserve the right to conduct alcohol and drug tests at any time.* We may terminate your employment if you violate this policy, refuse to be tested, provide false information, or fail to cooperate in a company investigation regarding drug or alcohol use.

### **Definitions under this policy**

1. "Alcohol" means the intoxicating agent in beverage alcohol.
2. "Alcohol concentration" means the number of grams of alcohol per: a. 210 liters of breath, b. 100 milliliters of whole blood, or c. 67 milliliters of urine.
4. "Company premises" include our buildings, grounds, parking lots, and company provided vehicles.
5. "Controlled Substance" has the meaning assigned by 21 U.S.C. 802 and Section 481.002(5) and (6) of the Texas Health and Safety Code.
6. "Drug" means any substance (other than alcohol) that has known mind- or functional altering effects on humans, including controlled substances, structural analogs of controlled substances, illegal drugs, prescription drugs, over-the-counter drugs and inhalants.
7. "Drug-Free Workplace" means a workplace where employees are not under the influence of drugs or alcohol.
8. "Drug Metabolite" is the detectable substance in a drug.
9. "Illegal Drug" is any drug that is illegal for possession, use, sale, or transfer for those who lack the appropriate license, registration or prescription, as defined by Texas and federal law.
10. An "inhalant" is any substance that produces mind- or function-altering effects on humans when inhaled.
11. "Under the Influence" is a state of having: a. a detectable level of the metabolite of an illegal drug, or b. an alcohol concentration of 0.04 or more, or c. not having the normal use of mental or physical faculties based on the introduction into the body of alcohol or drugs, or both.

### **Company rules.**

You must follow these rules while you are on company premises and while you conduct company business. These rules apply any place you conduct company business, including a company vehicle or your own vehicle:

1. You may not use, possess or be under the influence of alcohol on company premises. If management approves, you may drink moderately at certain off-premises, business related meetings or social gatherings.

2. You may not use, possess or be under the influence of illegal drugs.
3. You may not sell, buy, transfer or distribute drugs. We reserve the right to report such actions to the authorities.
4. You may not sell, buy, transfer or distribute drug paraphernalia.
5. You may not use or be under the influence of inhalants.
6. You must follow these rules if you take prescription or over-the-counter drugs while on company premises or while conducting company business:
  - a. You may use a prescription drug only if a licensed health care provider prescribed it to you within the last year.
  - b. You may use prescription or over-the-counter drugs only if they do not generally affect your ability to work safely and effectively.
  - c. You must keep these drugs in their original containers or bring only a single-day supply. The company reserves the right to consult a doctor to determine if a prescription or over-the-counter drug may create a risk of harm to you or others if you use it on the job. The company may change your work duties or restrict you from working while you are using a prescription or over-the-counter drug that creates such a risk.
7. You may not use machinery while taking prescription or over-the-counter drugs that impair your ability to work safely. This includes vehicles.
8. You must cooperate with any investigation into drug or alcohol use. An investigation may include tests to detect the use of alcohol, drugs or inhalants.

## **5 Testing**

Testing may include urine, blood, breathalyzer oral fluid or hair tests. Before testing, you will have the chance to explain the legal use of any drugs.
